

MEMBERSHIP APPLICATION GUIDELINES

1. Organizations who are significantly engaged or Associations representing organizations generating, transmitting, providing, administering and/ or distributing electricity supply in a country or region are eligible to become Full Members. Professional organizations and professional individuals whose interests relate to the electricity supply industry in the region are eligible to become Associate Members.
2. Interested organizations, associations or professional individuals may apply for membership by accomplishing the AESIEAP Membership Application Form attached. The form must be signed and submitted to the AESIEAP Secretariat, along with documents supporting the applicant's involvement in the energy industry.
3. The Executive Committee shall examine each application for membership of the Association and shall inform the Council of its receipt and of the recommendation of the Executive Committee. The applicant shall be notified acceptance of membership after the Executive Committee and Council's approval.
4. For more information about AESIEAP's constitution and membership, applicants may visit <https://www.aesieap.com/aesieap/constitution/>. Queries may be directed to the AESIEAP Secretariat thru email: secretariat@aesieap.com
